The painless way to get organised!

What's Involved?

Hosting an Organised Chaos Clutter Clinic is the ideal way for you and a group of friends to pick up handy tips on how to get organised.

Judith shares with you her experience as a clutter consultant. Her enthusiasm is infectious - motivating and enabling you to tackle your own de-cluttering with confidence!

During a typical clinic, you and your friends will:

- ◆ Explore what creates *your* personal clutter, enabling *you* to take control
- ◆ Discover AIDA - the Organised Chaos 4 point action plan for effective de-cluttering
- ◆ Find out how inappropriate storage solutions can make a bad situation even worse!
- ◆ Get hints and tips relevant to your own situation

PLUS!

- ◆ 'Clutter Clinic Notes' booklet summarising the main points for each person attending the clinic, as well as the opportunity to purchase 'Really Useful Boxes'

The Clutter Clinic is for between 4 and 8 people and will last between two and three hours. Cost per person is just £15 (non-local Clutter Clinics may be subject to a travel contribution). Please call or e-mail to book, or enquire for more information.
